- 12) The shipper, consignee, 3rd party, entity requesting service and/or beneficial owner will be liable, jointly, and severally, to pay the SERVICE PROVIDER through ALGWW or indemnify ALGWW and/or its SERVICE PROVIDER by any reason of any violation of any of the terms contained in applicable Tariffs.
- 13) Construction and Interpretation. In the event an ambiguity or question of intent or interpretation arises, this Tariff shall be construed as if drafted jointly by ALGWW, SERVICE PROVIDER, Carrier, Shipper, Consignee, Third Party, entity requesting service or Beneficial Owner, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Tariff. PAYMENT OF CHARGES:

- 1) Except as provided in the exceptions within the Tariff, all charges are payable at the time of acceptance if the shipment is "prepaid" (a shipment on which all charges are paid by the shipper) or at the time of delivery if the shipment is "collect" (a shipment on which all charges are to be paid by the consignee).
- 2) EXCEPTION: When ALGWW extends credit to the shipper or consignee, credit will be extended for a period of 30 days from the date of billing.
- 3) In the event that payment on credit accounts is past due, ALGWW reserves the following rights:
 - A) Any outstanding invoice, which is unpaid 30 days from the date of billing, may be subject to an additional charge at a rate of 1½ percent per month of the outstanding balance, or the highest rate of interest permitted by applicable law, whichever is greater.
 - B) Any outstanding invoice, which is unpaid 60 days from the date of billing, may be subject to an additional charge at a rate of 1½ percent per month of the outstanding balance, or the highest rate of interest permitted by applicable law, whichever is greater, and may forfeit any and all discount rates, skid rates or spot pricing. ALGWW reserves the right to re-rate all unpaid shipments exceeding 60 days based on ALGWW's Regular Tariff (RT500) for air freight shipments, or on a zip-code to-zip-code basis using current CZAR LITE non-discounted rates as published by SMC for ground transportation.
 - C) In the event ALGWW engages a collection agent and/or attorney to collect unpaid balances, or to enforce any part of the Rules and Regulations Tariff, the shipper, entity requesting service, consignee, Third Party and beneficial owner acknowledge that by entering into any contract, they shall pay all reasonable costs including, but not limited to, professional fees and costs, 25% of the balance due or a flat fee of \$200.00, whichever is greatest, plus costs. It is further stipulated that exclusive jurisdiction shall be before the courts of the State of Illinois, venue shall be proper within the county of DuPage, and the shipper, consignee, entity requesting service, Third Party and beneficial owner acknowledges that performance of any contract was performed within the State of Illinois, all as more fully described at ITEM 640.

- D) ALGWW and SERVICE PROVIDER shall have a lien on any goods shipped for failure to pay for charges payable on account of any shipment pursuant to these Rules and Regulations. ALGWW or SERVICE PROVIDER may refuse to surrender possession of the goods until such charges are paid.

CREDIT TERMS:

The invoice date begins the credit term cycle, and payment is due within 30 days from the invoice date. Failure to keep shipper's account current with ALGWW may result in the account being put on a "cash only" status. This status may impair shipper's ability to use ALGWW service. In the event prompt payment is not made and an account is placed on a "cash only" basis, credit privileges will not be restored until all balances are paid current, including, but not limited to, all costs, fees and expenses incurred by ALGWW in collecting or attempting to collect such balances. ALGWW may decline to restore credit privileges even if all costs, fees, and expenses are paid.

LIABILITY FOR CHARGES:

- 1) The shipper, consignee, 3rd party, beneficial owner, and entity requesting services are liable jointly and severally for payment of all sums due to ALGWW related to or accrued on account. ALGWW and SERVICE PROVIDER will have a lien on such cargo or product for sums due and payable. In case of non-payment, ALGWW and SERVICE PROVIDER will have right upon 30 days' notice to the shipper and consignee at the address shown on the bill of lading to dispose of the cargo or any part thereof at public or private sale without further notice. ALGWW and SERVICE PROVIDER may pay itself out of the proceeds of that sale.
- 2) Customs penalties, storage charges, or other expenses incurred as a result of an action by Customs or a failure by the shipper or consignee to provide Customs proper documentation to obtain a required license or permit, will be charged to the consignee along with duty and tax, if applicable. However, the shipper, Third Party and all other parties having an ownership interest in the shipment shall be liable for payment in the event of non-payment by the consignee.
- 3) If a consignee from whom reimbursement confirmation is requested refuses to pay the duties and taxes necessary to release the shipment from Customs, ALGWW will contact the shipper, who may elect to pay such amounts. If the shipper refuses to make satisfactory arrangements to reimburse ALGWW, the shipment will be returned to the shipper if allowed by Customs. The shipper will then be held responsible for payment of both the original transportation charges and the return transportation charges. If ALGWW advanced any amounts as duties or taxes at either destination or upon return to origin, the shipper, Third Party, and all other parties having an ownership interest in the shipment shall also be liable for such amounts.

FUEL AND SECURITY SURCHARGE:

Due to extreme fluctuations and changes in the industry, ALGWW reserves the right to assess a fuel or security surcharge on applicable shipments. A current schedule of Fuel Surcharges is available upon request.

SHIPPER'S INTEREST INSURANCE

- 1) ALGWW will arrange for Shipper's Interest Insurance, when requested by shipper, provided the shipment is an acceptable commodity. Insurance coverage is based upon the open insurance policy in effect on the date of the shipment. There are exceptions and /or special insuring conditions to the insurance option. The cargo insurance policy is subject to limits, terms and conditions and shall be construed to be a contract directly between the shipper and insurer. ALGWW accepts no responsibility or liability for, and both the shipper and consignee waive, release and discharge ALGWW and SERVICE PROVIDER from shipper's and consignee's failure to comply with the terms and conditions of the Shipper's Interest Insurance policy. Applicable Insurance premiums will apply.
- 2) The amount of insurance requested is the direct responsibility of the party seeking insurance coverage. ALGWW is in no manner responsible for any payments due to an incorrect insurance amount requested. The insurance amount (in whole dollars) should be equal to the value of the shipment (less replacement cost or sales price) plus insurance, incurred duty, and the freight charges, plus 10%. Failure to insert at least the full invoice value of the shipment shall reduce any insurance payment proportionately by the applicable percentage that the shipment was so under-insured. A premium charge per \$100.00 USD of the amount requested will be charged.
- 3) In addition to the above, advance arrangements must be made for requested insurance in any amount exceeding \$50,000.00, and in no event will any insurance be accepted in an amount exceeding \$500,000.00. Any amount of insurance requested in excess of the maximum allowed is null and void, and the acceptance by us for carriage of any shipment in excess of the allowed maximum does not constitute a waiver of this maximum.
- 4) If the shipper does not request insurance, or if ALGWW and/or SERVICE PROVIDER does not accept such an insurance request for any reason or if the applicable shipper/consignee does not pay the standard insurance value fees, the shipper or contracting party assumes all risk of loss or damage over and above the standard limits of liability applicable to the shipment.

GENERAL CLAIMS LIABILITY

- 1) In absence of a greater declared/released value noted of the Bill of Lading at the time of tender, the limits of liability set forth herein shall prevail as the maximum liability assumed in connection with a shipment.
- 2) If International shipping, all rules relating to liability as established by the Warsaw Convention or Montreal Convention shall apply, except as otherwise provided in these Rules and Regulations, if not governed by the Warsaw Convention, the Warsaw convention as amended by the Hauge Rules, the Warsaw Convention as amended by Montreal Protocol 4, the Montreal Convention or any other international treaties, laws, other government statutes or regulations, orders or requirements, maximum liability for loss, damage, delay, shortage, misdelivery, or non-delivery shall be 22 SDR’s per kilogram of the lost or damaged portion of the shipment, or the actual cash value of the loss, whichever is less, unless a higher value for carriage is declared and an additional charge is paid for such declaration.

- 5) The declared/released value of any shipment represents the maximum liability in connection with a shipment, including, but not limited to, any loss, damage, delay, misdelivery, non-delivery, misinformation, any failure to provide information, or misdelivery of information relating to a shipment. The shipper assumes exposure to and risk of any loss in excess of the declared/released value. Shippers may transfer the risk to an insurance carrier of Shipper’s choice through the purchase of an insurance policy. Contact an insurance agent or broker if Shipper desires insurance coverage.
- 6) When Shipper’s Interest Insurance is requested, the amount of insurance requested represents the maximum liability in connection with a shipment, including, but not limited to, any loss, damage, delay, misdelivery, non-delivery, misinformation, any failure to provide information, or misdelivery of information relating to a shipment. It is the shipper’s responsibility to prove actual damage. The shipper assumes exposure to and risk of any loss in excess of the amount of insurance requested.
